“ Mrs Maloni was my 5th grade teacher at Allen Elementary. She was a wonderful, warm and energetic teacher but above all a kind and caring person. My family and I would run into her years later after graduation and she was always curious happy to hear about where life had taken all her former students. To her family and friends, my deepest sympathies.... She was truly a wonderful woman.

“ I am so sorry to hear of the passing of Debbie Maloni. I knew her on the periphery since she was the mother of a classmate of my daughter Stephanie's in elementary school. I don't remember if Debbie taught at Smith or Bird or even Allen, but I do remember her "bigger than life" personality and smile as well as her contributions to so many important things in our community. I do know that it is important for all of Debbie's family to know that she not only touched your lives but the lives of so many others in our community. My thoughts and prayers are with you all.
