“ *My summers in Michigan during junior high are filled of memories of Debbie and me riding bikes through the neighborhood and going to 7-11 for snacks. One of my favorite memories is of the last day of school 1988 and the Monsters of Rock concert we went to with her dad and uncle. After that summer we seemed to have lost touch and I will forever regret that. RIP Debbie and remember that you touched so many lives and you were loved very much.*

“ *I am sooo sorry for the loss of Debbie. She was a great friend, we had a lot of fun times growing up. I only wish I had been able to stay in contact with her over the years. Then later I started seeing her at Connection Church, we only talked a few times, and again in passing. If there is anything I have learned from Debbie, it is that I will never let an old friend pass by me. Because you never know that it just might be the last. You will truly be missed, but never forgotten. Rest In Peace! <3*

“ Even though we drifted apart in our lives...I often thought of Debbie she was someone who could make me cry in laughter and had a great personality.We were close friends in Jr High and I was her Boblo buddy I have great memories with her family.The only regret I have is not staying in touch over the years.I have always held her close to my heart.And today I got to say farewell my friend and thank you for all the great times.And Renee you were my second mom back then if you didnt relize it then you know it now.

“ We were so sorry to hear of Debbie's passing. We would like to have come to the funeral but our current health issues (hopefully only temporary) kept us close to home.
