“ My condolences to my classmate Diane’s family. While it has been many year since I saw Diane, I was still saddened by her death. Diane, Gwen, and Beverly - we all graduated from kindergarten together and were together in school through 9th grade. I did not see or hear from Diane until she came to my parents’ home as a visiting nurse.

I remember Diane as being friendly, smart, and very neat. She was always laughing with whom I thought at the time as a child were her cousins. A beautiful person inside out. That’s how I remember Deborah Diane West.

God bless you, West-Someah-Kwaw family. May God comfort you with His peace and love.
