“ *To the family of the deceased, even though i did not know the deceased, i want to comfort you with the hope of resurrection and that by means of Jesus Christ, God will bring back the dead to life again, John 5:25. So take heart as death is our common enemy awiting to be removed completly then we can welcome back our dead loved ones. Isaiah 25:8*

“ My deepest sympathy to Debbie;s family at this time, Debbie and I worked together at Target for several years, She was a mentor to me and was one of the nicest supervisors I ever worked for. She never forgot to ask about my family and how they were doing. We had alot of fun together and I considered her and Gary among my friends even when we no longer worked together. She will be sadly missed.

“ She was one of the few managers at WM who cared enough about the workers to help them, even to the point it cost her her job, and possibly her life, from losing that job. She is loved by many. God Bless....
