“ *Wonderful memories of serving together on secretariat. Debbie with
her sweet, humble personality. Always wanting to help along with
her partner Gary. Always the teacher as she gave her talk on a
weekend, the five important steps to study. Debbie you bring smiles,
light and love to my heart now as I remember you. You will be
missed, I know you are praising our Lord now! Peace*

“ One of the best and most patient teachers I have ever seen. A constant shining example of how to treat each other as well as yourself, so thankful for her and her impact on my little one. You can tell by how she raised her own crew that she was ment to be in a teaching institution.
