“ *Jim, Like everyone, we are speechless, saddened, and shocked at such a horrible tragedy to happen to such a wonderful person and your family. We will always have special memories of your visits during 8th Week Camp Michigania-- you swimming with Madison because I was a wimp to go in the cold water and Debbie water skiing with her fabulous, toned figure and glowing, tanned skin. Her homemade cookies were hands-down a highlight and worth the calories. Our heartfelt thoughts are with all of you during this time of profound sadness and loss. Julie and Ron*

“ *Hi Jim and Jennifer, I want to say how sorry I am for your loss. Even though I haven't seen Debbie in a long time I can still remember her smile and laugh. The times I came over to your house or we met somewhere were special. I can't be there today as I am up north with my dad and boys. First time for this. (sorry) I would like to see you when it is convenient for you. Please give me a call at 734-231-3461. Again I am so sorry . Ken Hamilton*

“ Jim, I am so sorry to hear about Debbie! A few weeks ago, Ken informed me about Debbie's health. Words alone cannot fill the void in your heart right now, but I do pray that God will grant you peace and comfort in your hour of grief. It has been many years since I last saw you and Debbie, and those will be the memories that I shall forever remember. May God bless you and keep you, may he make His face shine upon you and grant you His peace. Sincere Condolances, Gerry Storey & Family

“ Dear Jim and Jennifer, I was on my way home yesterday, and I was having a difficult time with our loss of such a wonderful person, Debbie. I was in line at the post office and looked up at the man in front of me; on the back of his shirt, it read: Strength - Psalm 28:7. When I got home, I got out the Bible and read. The Lord is my strength and my shield; my heart trusts in him, and I am helped. My heart leaps for joy and I give thanks to him in song. I can't help but believe Debbie sent that message to me. I know Debbie is in a wonderful place with our Lord. Love, Sue

“ Jim & Jennifer, My heart goes out to you at this time. God has taken care of Debbie's pain and given her peace. Know that when you look up to her, she and her Daddy are looking down to you. The smell of burnt chocolate chip cookies will forever make you smile. Love & Prayers, Lori
