“ *I would like to offer my condolences to the Amolsch family. I had the opportunity to go on a cruise in November with the family of Delores. I am so glad I did because I was able to get to know the family better & to see how much they loved their Mother & Grandmother & how proud she was of of them. It is so nice that they got to have that trip for the memories that will last forever.*

“ *To the Amolsch Family,*

*Your mother will always have a very special place in my heart -- she was a very lovely and loving person. I have great memories of her - many years ago while visiting Fred & Debbie in Florida, we all played cards for hours at a time and very recently my sister and I were included in the "Amolsch Family Cruise" where I enjoyed her laughter and humor. I enjoyed watching her surrounded by her family and how she totally loved that special time with her children, grandchildren and great grandchildren. I'm sure it will be a cherished memory for everyone.*

*She will live on through her children, grandchildren and great grandchildren. . .*

*You have my deepest sympathy.*
