“ *Deb, Clif and Family, My heart and prayers are with all of you. Your mom was such a great and special person. Always doing things for others. Mostly, I'll always remember her smiling, loving face! She was always smiling when I saw her! She had so much love to give to everyone, and I see that in all who knew her. I pulled out the blanket she made for me and Bob's wedding the other day - I won't put it out for fear of anything happening to it... it will always be dear to my heart, just as she will be. Remember that I'll be praying for you, and hoping that God will grace you with a gentle heart knowing that he now has her in His arms and will be taking care of her in that much better place! Delores, thank you for the kind memories of you, and touching my life with your kindness. I'll miss you. Love and prayers to all, Denise and Bob*
