“ *To The family of Denise D. Barackman. I would like to extend my condolences to You. and share with You some Bible scriptures that have also helped to strengthened my faith in the resurrection. For example, In both The New and Old Testament, we find many loyal servants of God that were able to withstand difficult trials because they held firmly to the hope of a resurrection. One of these loyal ones was Job. (job 14: 13). The Prohet Daniel too was strengthened by an angel who also told him that he was to rest but that he was going to stand up for his lot at the end of the days. Yet, our most outstanding proof that there will be a resurrection is the resurrection of our Lord Jesus Christ. (John 20:3-9). That is why The Apostle Paul was able to say that God Jehovah " ... has furnished a guarantee to all men in that he has resurrected him from the dead." (Acts 17:31). Once again I extend my sincere condolences to The Family, and I hope that these words were comforting to you now, and also in the years to come. “ *Im truly sorry to hear about your lost. Denise will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Denise again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*
