“ *My Dear friend, although we didn't see each other frequently the
last few years, you have always been dear to my heart. So many
memories, so much shared through the years. Raising our boys,
soccer, afternoon talks, concession stands, and even helping me
to accept Evan wanting a tatoo!! You will always be in my heart. I
love you.*

“ My heart has been heavy since hearing this tragic news. I am grateful for the time, so long ago, when I was made to feel part of the Arbour family. What I know based on that experience is that the loss of one of your own will be devastating but that the love and closeness that you all share will pull you thru. I could never decide who my favorite "sister" was but Denise definately had her time at the top! Please know that each and every one of you are in my thoughts and prayers during this very difficult time. Much love and sympathy-Trea
