“ *Hi Debbie and family, so very sorry to read about Dennis. I was shocked more than anything! I would have called but I do not have your number anymore since its been so many years. I just had major back surgery and unable to get down there. But know that you are thought of and prayed for during this tough time.*

“ *Dear Debbie and family, I am so very sorry about Dennis. More like shocked when I seen it in the paper this morning. He was a good man, no doubt! Are you still living in the same place? I would drive down but I just had major back surgery with all kinds of titanium implants. Please take care and remember the good times!*
