“ *I worked with Margaret for many years at Comerica Bank. I learned a lot from her through those years. She gave me a small mirror for my purse that she got from buying her makeup... I still carry it in my purse. May the Lord help you through this time... Love and prayers, Diana Stamper*

“ Sean and Christian loved your mom and dad so much ever since 1976 when I first visited them and Tinker greeted me at the door. Had many wonderful times sharing meals with them. They took care of my dogs and I enjoyed house sitting for them. Your mom was such a positive and loving person.

“ My sincerest condolences to Margaret's and Denny's family. I had the pleasure of working with Margaret at Comerica Bank and also bowling in the same league with her. We worked hard but also enjoyed many conversations and laughs. She truly was a people person. She talked about her family and how very proud she was of them and shared many heartwarming stories. Through Margaret I met Denny. He was a very nice man and a pleasure to talk to. May the precious memories you have help you through these very sad days.

“ *When we moved into the neighborhood Sean was one of my sons first friends that continues until today. Denny and Margret were part of the Sean package and a nice premium. They were warm, kind and giving, people who we truly enjoyed. They will be missed but it is n coincidence that they passed together, not wanting to be here without each other...enjoy the benefits of your faith and commitment to God and Jesus Christ.*
