“ Dennis, my loving, giving, big hearted brother, you will be missed by so many. He and I were polar opposites. I always tried to get him to see things my way, but we did take care of each other for many years! To all his hockey friends and his co-workers, and everyone in between that I couldn't reach because his iPhone is locked, I am sorry for your loss also! He touched the life's of many! He's with Mom, Dad, Gram, and Cassie now! Rest In Peace my sweet brother, my first friend! I am truly heartbroken and will miss you and love you forever!!!

“ A character to remember. Walked to school everyday. Played childhood sports together, big Jack (dad) played b-ball with us at moehler field. Played lots of pinochle cards with my Mom and "Puncie"(Ray) . He Went to many of my family get togethers, he was one of us for sure. Growing up shooting pool and pong in McDermott basement was a night staple. His mom was the sweetest and Jack was a great neighborhood Dad. Will be missed. We shall meet again.

“ Dennis to be was one of the best people I've met in my life a good person all around knowledgeable knew a lot of stuff play drums. I'm gonna miss that guy because every little bat party me and him the first ones up in the morning and we've had many breakfast of champions, cold pizza and cold beer I'll never forget that as long as Liv I'll be with him soon. Maybe not too soon. Maybe I could wait another 20 years but he was such a great person. My condolences to the family and all his friends and I'm just a lot at loss but not like the family so and I will donate you know service or I'll donate some somewhere else but to the family of the state of flowers it makes more sense to me how you want , so I'm gonna read the services and I hope I didn't miss it because I'd be really disappointed but I know it takes time to get a lot of family in town so God bless you all and may God be with you as it was with dennis says he is with me as he was with dennis and I hope all of the family is as much with the big man as we were Amen. 🙏

“ *My deepest sympathies to the McDermott family. Dennis and I played on the same hockey team, I believe, during 1973-74 winter at Garden City Park. Dennis' father was an assistant coach too. Dennis is located in the front row, kneeling in front of his father.*
