“ *My first impression of Dennis was what a classy and professional police officer... I met Dennis when he was a rookie in the police academy. He was assigned to the Wayne County Sheriff Road Patrol for a student evaluation and I was his evaluator. I remember the pride he had sitting in the black and white as we patrolled and responded to calls. My last impression of Dennis is what a Classy friend and wonderful man. With Condolence*

“ *Im truly sorry to hear about your lost. Dennis will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Dennis again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Dennis seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ *Dennis was an amazing man, husband, father, grandfather and friend. I was lucky enough to have grown up around the McVicar family and love them as my own family. Dennis always had such warm, welcoming things to say to me and made me feel as I was his own. My heart breaks for your loss but I will make sure to share as many stories as I can and never forget what a truly amazing person you were. I love you*
