

Dennis Michael Plucinsky

July 12, 1960 - June 6, 2025

Plucinsky, Dennis Michael June 6, 2025 age 64 of Dearborn Heights. Beloved son of Otto and Frances. Loving brother of Sue (Chris), Ann Marie (Dominique) and Michelle (Chris). Dear uncle of six nieces and nephews. Dennis was born in Detroit and raised in Dearborn. He graduated from Edsel Ford High School in 1978.

Dennis was passionate about the things that mattered to him and was always ready with a good story or his infectious laugh. He loved being in the middle of the action, often behind his video camera capturing life's moments with an eye for the small details that others might miss.

Detroit was his great love; he never missed a chance to share the beauty, grit and spirit of the city through the hundreds of events he filmed for local TV or the behind-the-scenes tours he gave family visitors. If you were with Dennis long enough, you would have an enthusiastic conversation about world flags and politics.

Dennis believed deeply in experiences over material things; and he lived a life of simplicity. He kept a quote by P.T. Barnum that said, "The noblest art is that of making others happy". His greatest legacy was the way he made everyone around him feel important, heard and loved. Dennis will be missed by all who knew him.

A Memorial Service will be held on Monday, July 21st at 10:30 AM at St. Hedwig Cemetery and Mausoleum, 23755 Military Road (Ford Road, East of Telegraph) in Dearborn Heights. In lieu of flowers, donations may be made to

your favorite Detroit charity in Dennis' honor. Arrangements entrusted with Vermeulen-Sajewski Funeral Home, Westland. To share a memory, please use the Share a Memory tab on this web page.

“ *Dear Plucinsky family
It is with great sadness that we learned of the passing of our dear cousin Dennis.
Our last meeting was at Ant Helene’s jubilee in Trois-Rivières on September 2 2000, and we remember him as a kind, smiling man ... his memory will forever remain in our hearts.
We share in your sorrow during this difficult time and we offer you heartfelt sympathy and caring thoughts

“ *Uncle Dennis was curious, honest, genuine and patriotic. He spent his time documenting the growth of the city and anything of local importance. He was active in his local politics and passionate global politics. He was always willing to give me homeowners and rental advice and I cherish our times spent at falls lounge grabbing a bite to eat. Even more so, I cherish his green bean casserole at our family holiday get togethers <3 Uncle Dennis I hope you are happy and free of stress wherever you are. We miss you*

“ You will not be forgotten Dennis! I see you in all bright blue pickup trucks.
I know you would have been out filming all the No Kings protests today.

“ A quiet behind the scenes sort of guy, he was able to find many places and people that brought him joy and life experiences. Always willing to try something new and learn the local flavor!! 💕💕
