“ *First cousin Dexter was energetic, creative, positive, an artist, a great story teller, played with me as a much younger cousin. He and Barb were two beautiful people, that were a terrific team. We love you dearly. Dexter will be dearly missed. He left a very impressive footprint of his (and Barb's) life that all are justly proud to have witnessed part of it.*

“ *We loved uncle Dexter so much and we send our love to aunt Barbara, dad (Roger), Cheryl, Susie and everyone who knew him. We so wish we could be there with you all, but be comforted through our prayers and through the knowledge that he is in the presence of Jesus now and you will be reunited one day with him in heaven. We miss you and love you all. Our prayers will be fervent and ongoing as you walk through this time of grief.*

*He was such an awesome story teller, he could captivate anyone and draw them right in. His laugh was the best, so hardy, jolly, and genuine.*
