“ *God saw she was getting tired and a cure was not to be. So, He put His arms around her and whispered, come with Me. With tearful eyes we watched her suffer and saw her fade away. Although we loved her dearly, we could not make her stay. A golden heart stopped beating, hard working hands to rest. God broke our hearts to prove to us, He only takes the best!*

God looked around His garden and found an empty space, He looked down upon the earth and saw her tired face. He put His arms around her and lifted her to rest. God's garden must be beautiful for He only takes the best. He knew that she was weary and He knew she was in pain. He knew that she would never be well on earth again. He saw the road was getting rough and the hills were hard to climb, so He closed her weary eyelids and whispered "peace be thine".

My thoughts and prayers are with your family and especially your granddaughter Ashley.

“ Ashley,
Words can not express how sorry I am for your Grandmas' passing. She was one fine lady! I never saw someone so much in control and at peace as your Grandma was. She has left you quite an example of both living and dying.

You know how very special you are to your Grandpa & me. I don't think we could love you any more than we do now. We will always be here for you, no matter what.

Love you always, Grandpa & Grammie

Jenny & Family,

Please know that your family will be in my thoughts and prayers. If there is anything I can do, don't ever hesitate, to call.

Love, Eddi

Dancing With Angels
by Monk & Neagle*

*Memories surround me
But sadness has found me
I'd do anything for more time
Never before has someone meant more
And I can't get you out of my mind
There is so much that I don't understand
But I know*

*Chorus:
You're dancing with the angels
Walking in new life
You're dancing with the angels
Heaven fills your eyes
Now that you're dancing with the angels
You had love for your family
Love for all people
Love for the Father, and Son
Your heart will be heard
In your unspoken words
Through generations to come
There is so much that I don't understand
But I know*

*We're only here for such a short time
So I'm gonna stand up
Shout out
And sing Hallelujah
One day I'll see you again*
