“ Diana was always a nurturing, caring, loving, amazing, beautiful, extraordinary, selfless, giving, bright light of sunshine on a cloudy day. She has been one of my best friends from the moment I met her. My wedding would not have happened without her and Lisa. She was my wedding gift. She surprised me on May 27, 2001 and helped and organized my wedding and made my wedding day to remember. She handcrafted my veil I wore on my wedding day. Lisa and I were there when both girls were born. There were so many milestones in our lives we shared, too many to list. Life will not be the same without her even thou I didn't see her everyday, I knew she was always a phone call away and we could pick up where we left off. Heaven just keeps getting sweeter.

“ Diana will always be remembers for her beautiful, kind and loving soul. She always cared so much for others, and would go above and beyond to help. I am privileged that the Lord brought this wonderful person to my life several years ago. Diana may you rest in pease.

“ Diana was always one of the most kind and cheerful young ladies to be around many moons ago in high school. I'm happy to say that I got a chance to have someone like her in my life at one time and will always remember her huge smile and caring spirit. My sincerest condolences to her family and friends! I know that she will truly be missed and never forgotten!
