“ *Diane was a delightful woman and loving mother and wife. She was totally devoted to her family and took great joy in each of her children's interests and accomplishments. We often stood on the sidelines, watching our daughters compete in soccer games. We would appreciate their competitive spirits and be their shameless cheerleaders. I know that at this moment in time, Diane is watching Ali being an incredible mother to her first newborn...just as she was to her three gifted children. You are in our thoughts, prayers, and hearts.
