The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. “ We will always miss your beautiful smile and great spirit. The excitement you showed at every event you came to lifted the spirits of all around you and reminded us of how great it is to be a pirate. They say that when you die you die twice first with the body and secondly when the last person who knows you says your name for the final time. Your name shall be spoken through the ages so you never die. We love you very much and will always remember the good times. Many prayers to Kevin and Billy and the rest of the family.

P.S.- A Pirates life For Me In Life and In Death see you on the other side, where our adventures shall continue.

“ Diane and family, we will always see your smiling face over our backyard fence. sometimes in your pool, sometimes with your family and friends at a party, sometimes just chit chat between us over the fences sometimes with your husband Kevin, or Billy just walking around the yard. just knowing you were always there, made our lives better. You will be missed so much! Were still here Kevin. Your backyard neighbors. Pat, Cheryl, Chad and our dogs!

“ I am so saddened by the loss of my cousin. Dianne was a great mother to her only son Billy! The first time I saw my cousin Dianne as an adult, she was pregnant with Billy. Dianne was a mother first. My heart breaks for everyone she touched, but especially for Billy. I am so sorry to Kevin for the loss of your wife.

“ Diane was named after my mother who was a registered nurse and wife to my father Frank Daley. I lost my mom in 1995 when she was just 51. As the oldest kid of the 4 Daley brothers I am especially saddened that I didn't have a chance to finally meet her on my trip home from Idaho in November. May the Lord comfort and strengthen her family, and most especially her son Billy. I feel I share a kinship with him and he can always call this cousin out west. Our mothers were called home awful soon.

“ God girl. I will miss seeing you every day . You were the best mail lady we had. God took you so suddenly from us, I still can't believe it. I was just in the same hospital 3 weeks ago for 5 days. You said I would be ok. I got my miracle. I wish you did too. But You are Gods miracle now. I know your already having fun up in heaven, just like you did here on earth. Till we meet again. Condolences to the family. She will be so missed. But God has here now. Love you to the moon and back. You were a angel here on earth, and I know you are in heaven. I just know it.

“ Dianne was a person that truly cared for people. Whether it was passing on information about job openings for those without. Or handing a hungry man on the street, their leftovers. Posting an invitation into her home, to all without some place to go for holidays. Or attempting to save a lifeless child handed to her on the sidewalk by a distraught mother. She was truly a spirit that will be missed here on Earth. My heart goes out to her son, husband and parents. You will be greatly missed Dianne.

“ My family and I did not know Dianne well or for very long, but we know this about her....from the moment you met Dianne you knew...here was a kind and gentle soul....here was someone who knew nothing about being mean-spirited or self-righteous. When you got to know Dianne better you knew this was true....here was a fine woman who would accept you for what you were, and just being around her would make you feel better about yourself. What a terrible loss for those who knew and loved Dianne.

“ Dianne,
I will cherish the memories I have of our friendship, especially how much I admired your ability to make friends every where you went. You were a fearless human being with an uplifting attitude and your smile lit up a room. I hope your family can take comfort in the fact that you were so loved while on this earth. I cannot be there for your celebration of life but have sent you some amazing purple flowers in my place. My sincerest sympathies to all your family and friends.
Peace and love,

“ *I have never in my life met a person with so much energy and lust for life. Dianne knew what she wanted out of life and she lived it to the fullest. I so admired that about her. She made friends easily, and she worked at keeping those friendships going. She must have done something right because God only takes the good ones early. Rest in peace Dianne. You will be missed on this earthly plain, but never truly gone.*
