

Dianne Janet See

January 7, 1939 - November 24, 2023

Dianne Janet (nee Teet) See passed away on November 24th, 2023, at the age of 84.

Dianne was born and raised in Detroit until she moved to Canton, MI to give her family a better opportunity to flourish. In her elder years, she moved to Hamtramck to be close to her great-grandchildren and relished the fact that she could see them daily.

She graduated from Western High School in Detroit in the top 10% of her class. She then earned two associate degrees through Wayne State University and Schoolcraft College.

Dianne was a highly acclaimed Manager of Purchasing in the steel business and had over 50 dedicated years in the field of sales in automotive manufacturing.

She took great pride in beautifying the neighborhood and showing off her great-grandchildren during her daily walks. She was an avid Red Wings fan, loved bird watching, and had a great love of Jazz. She volunteered yearly at the Michigan Jazz Festival, donated to many local charities, and spent her free time enjoying and watching up-and-coming jazz musicians. Dianne's greatest joy was spending time with her family, especially her cherished great-granddaughters.

Dianne is survived by her daughter Bonnie See; granddaughter Angel (Phil) Salatrik and two great-granddaughters; Fiala(12) and Adaline (4).

Dianne will be dearly missed by her family, neighbors, and friends. She positively touched many people's lives and shared her kindness with so many.
