“ Dicki was such a nice lady. She and Tom were involved with the VEG condo activities in years past. The picnic was frequently held behind their condo. Wish I had known that she died as would have attended her Visitation.

“ Your memory will forever be with me. You were not only a customer of mine but a great friend. Our every other Wednesday won't be the same with out you gf. Our stories of our families I will miss sharing with you. Our lunch n laughter was therapy for both of us. Your losses n my loss of families members. We picked each other for a couple hours until the next 2 weeks rolled around.. You loved the stories of my adult kids n my grandkids. You enjoy telling me about all your nieces n nephew's But you was so proud of Bella n the things she has achieved as she was finding her own way in school n stuff. N you was so proud of her dad turning his life around n being a great daddy for her. She always had a big heart for family. She always wanted everyone to get along n care for each other. But she fought a fight that was to big to handle. She told me I don't want to give up. She wanted to get back to her home. We'll she now has a great home in heaven with Tom. May God wrap his arms around her as she's received in heaven. She will now be another Angel In heaven watching over all of us n enjoy watching families together doing life memory's. My heart is sad your not hear on earth but I know I will see you some day. Love n hugs sent to you my girlfriend n give Tom a hug to for me. Love ya 🤔

“ This woman had the best outlook on life and will be truly missed. Our conversations will forever be held in a little locker in my heart. Those I will truly miss. Thank you for letting me care for you. Wishing I could've said "See ya later Sweet Lady!" Just one more time. Be at rest dear lady. Until we meet again.

Dicki was a wonderful friend and I am really going to miss her. Only comfort in her passing is that I know she is now with Tom and many members of her family. Dicki will always be in my heart. ❤️

Dicki you were a very special friend and neighbor. I'm glad we were able to see you at the Willows. I can still feel our last hug. I will cherish that memory along with that big smile you had for us. R.I.P. dear Dicki.
