“ *Dolly was my favorite cousin. A couple of years ago we were meeting for lunch. I waited and waited. No Dolly and she never carried her cell phone. Turned out she was at the restaurant across the street from where I was waiting. We finally did connect and had a good, but late, lunch! We talked quite often on the phone. I will surely miss her! 💔💔💔*

“ We have many happy memories of Dolly. One memory we vividly recall was after a Lions football game when we went to her house for dinner. Dolly was in the kitchen mashing potatoes and Dolly was talking and all of a sudden her hand with mixer in hand came out of the pot and the some of the potatoes ended up on the walls and ceiling.
