“ *For Br Rick Novasky, Just wanted to express my condolences at the loss of your mother. It's been a long time since we worked at the old depot. More than 25 years of 'puting food on the tble for our families'. Having lost my mom too, has caused me to reflect on the values she taught. So I am writing to express my condolences. And to note how the example our mom's showed. Particularly about how to care for our families and to show compassion to those in need. Will always be one of the most important to follow. In Solidarity, Cliff*
