“ We would like to send our condolences to you. We will miss seeing Mr. August outside to take care of his yard or to even just to take a moment to watch the kids playing in the back yard. I think even the dog will miss him too, he liked to bark at Mr. August and he would tell the dog to be quiet and he would reach over and pet him. We would like to apologize for not being able to attend the viewing, I just found out about his passing and I have to work and my husband has a business meeting to attend.
