“ *Sending my sincere condolences to the Carter family. I was so sorry to hear of Don's passing. I met Don when I began working at Shipley Company. He was such a great coworker with a wonderful sense of (dry) humor and strong intellect Being the enthusiastic bike rider he was - he sparked my interest in the sport and I rode for many, many years. He also got me into bird watching as we had a bird feeder at the office - this is something I still enjoy to this day. Thanks, Don!! May you RIP, with sympathy, Cathy Oaten.*
