“ *I have known Don for over fifty-five years. First as an Assistant Principal when I was a student at JGHS and then as a valued neighbor. Don was a special person in the lives of all that knew him. After my mother, he was my biggest cheerleader in all that I do and have accomplished. He was a gift that I never took for granted and I will miss him. Don did so much for the Wayne-Westland community through the Rotary and touched many lives. He and his wife gifted many students in our community over the years with scholarships. His shoes will be hard to fill!*
