“ *I'm sorry I cannot be with you at this time, but know that my thoughts are with all of you. I will miss Uncle Don's sense of humor and great laugh. In my memories he was a humble, unassuming man who did his job and enjoyed a simple life. Though he often seemed to let his brothers have the center of attention, to call this quintessentially Irish man quiet would certainly be a mistake. He added a lot of fun to all our gatherings, inspires fond memories, and will be greatly missed.*
