“ Farmer Don was so kind and helped to instill loving and kind values in our children at real life day camp through many summer seasons. All three attended and are now in their 20s and 30s. I can say that spending this time with Farmer Don contributed to the formation of the good human beings they are today. The world was a better place because of him. May he rest in peace. The Galano Family.

Nancy Galano - July 20, 2025 at 09:28 AM
