“ *I'm still in shock over losing Don. When I was told the day after, I just collapsed to the ground in tears and refused to believe it. He was such a wonderful, caring, giving friend to everyone he met, it just makes it difficult to comprehend how something like this can happen. I'm deeply sorry for his family's and other friend's loss. He will be terribly missed.*

“ *Please accept our deepest sympathies, we loved Don and will miss him. Don's heart was the warmest and biggest of anyone we've ever known. His friendship had no limits, he always loved and accepted everyone for who they were.*
