“ *My dad was a true gem and I'm going to miss him more than I can express. He led by example and taught me so many of life's lessons. He was devoted to my beautiful mom and knew how lucky he was to have her for 57 years of marriage. My brother Dan and I were never in doubt of his love for us, because he told us often. He was so generous with his time and talents. He was a true fixer in so many ways. I will cherish my time with him including a very special trip he and I took, just the two of us in May '99, to Chautauqua. If you're reading this, I hope you were touched by him in some meaningful way. He was a friend to many. We take comfort in knowing dad is at peace in heaven with the Lord and we look forward to the day that we are all reunited again.*

*I was a classmate of Don's and kept in touch through out the years . When I last spoke with him this past August, he still had his quick wit and dry sense of humor. We had some good times in the HS band. Thoughts and prayers to Marifrances and Don's family. Dick Cottrill, MHS, Class of 1960*
