“ *Not sure what else I could add that hasn't already been said. Grandpa Smarr was one of the kindest and gentle men I ever knew. He will be greatly missed.*

“ *Don was my boss for many years at Standard Federal Bank. He was my mentor and friend as well. I cared about him very much and cried when he retired... happy for him but sad for me. I've had other bosses since, and been the boss, which let me know how lucky I was that my banking career of 35+ years began with Don as my boss. I have many stories and am grateful he was in my life. My condolences to the family.*

“ *Pops,
Thank you for your correction, wisdom and love. It made me a better son, brother, husband, father and grandfather. I count it an honor to be called your son.
