“ *Dear Spaulding, Schmidt & Hoefft, We are very saddened to hear of your beloved father/grandfather's passing. We offer our deepest sympathy and pray that God grant all of you strength, peace and love during this most difficult time. It has been a long time since we have seen you, but do recall Mr. Spaulding's smile and kindness as yours was the first family we met when moving to Michigan many, many years ago. His laughter was engergetic and so happy as it was a reflection of his love and the fun he had while being with his entire family at those gatherings at Marianne and Drew's house. It was clearly evident how he adored all of you. You have so many memories of him to cherish always. God bless his soul and may his memory be eternal. Sending our heartfelt good wishes and love to all of you, Harry & Maria Kokkinakis*

“ What a loss not only to the Spaulding family but to everyone that Don has ever crossed their paths. A caring gentleman does not do justice to this man. I am out of town with family but will have Don and family in my prayers not just Sunday and Monday but for as long as they need them to help them with their loss.
