“ *Mr. Don was a great neighbor in Westland for many years. I remember his laugh it was so contagious. Mom loved getting the yearly update with pictures at Christmas. Mom says she remember when he and my dad went to get a hot water tank on Christmas Eve with the convertible top down. A great man with an awesome legacy. He will be missed. May he rest in peace. Prayers to the family and all who knew him. Love and prayers The Kosta Family*

“ *Don had a very wacky sense of humor and could laugh at himself - a rare talent. He and Jan were so very kind to us when we lost our parents. We will always remember.*

“ I knew Don for many years as a co-worker at Ford Motor Company. I also knew him as a personal friend. He was a good manager who was well liked and respected by everyone. We must have shared a thousand cups of coffee in the early morning hours before the daily startup meetings. I know that he will be missed by everyone who knew him. I know it provides some comfort in this sad time to know that Don has gone on to a much better place.

Sincerely
