“ *I am so sorry to hear of Don's passing. I am on staff at Northridge Church and read about his death in a staff email. I met Don 22 years ago when I managed the Radio Shack store in Westland Mall. Don was a faithful customer of mine for many years and I became a client of his as well. I have bought many pieces of furniture from him over the years. Don was a wonderful man who loved his business and his community. He was a true gentleman and he will be missed. I pray that God gives you all incredible peace and healing at this time while you mourn Don's passing. The Plymouth community mourns with you.*

*Much love to you all,

“ *Don was not only a great customer of National City Bank but a great
friend to me. I will miss stopping by the store for a chat and to have
him try to talk me into buying more furniture. Even though I couldn't
be with you at the service today, please know that my thoughts and
prayers were there. This wonderful, caring man will be missed by all
of us.*

“ *Dear Kay and Christine,*

*We are so sorry for your loss. Don was such a good friend to myself
and Carolyn when we were working in Plymouth. He help all of us
including our three children with things from the store. We will never
forget his unselfish attitude.*

We are now living in Florida or we would be with you at his service.

*Please know that we are thinking of you both, and will remember
Don in our prayers as he sleeps that perfect sleep.*

God Bless

“ *Very sorry to hear about Don. We served in the Guard together and he bought my old 56 Chevy to make a Hot Rod out of it. He will be missed by everyone who knew him.*

I think about Don still to this day. He was such an important person in my life and the love I have for him is tremendous. It makes me sad to think he most likely never knew the impact he had on my life. He will forever be remember as the man who processed the most compassion and caring for other humans that I've ever witness in another human being. He was a man who never judged, a great listener, and someone you could always lean on for help. He was a saint on earth and I still miss him tremendously to this day. May God bless his beautiful soul forever and ever. I can still see his smile and hear his heart full chuckle and I pray I always will. I fill forever miss you! I will always love you!
