“ I remember how I wanted to be just like Mrs. Bargowski when I grew up. She was the perfect beautiful woman, inside and out. I particularly appreciated her outlook on the world and loved her sense of humor. I remember calling the house looking for Dennis and Mrs. Bargowski would answer the phone. She and I would start talking and an hour would go by before we would get around to seeing if Dennis would pick up the phone. Much to his chagrin, I enjoyed and loved talking to his mom maybe a bit too much. But I couldn't help myself, she was so nice. I'm so sad to hear of her passing. I know she will be missed greatly by all of us. Hugs to the Bargowski Family.

“ She was one of the very best people and has one of the very best souls.

She believed religiously and always tried to do what she thought was right and Christian right and just. Her compassion, truthfulness and kindness for others was just a wonderful delight. She was so hardworking, giving and believed strongly in trying to always do the right things for everyone, if she could be of help. Her family and husband were always in her every waking thought and so very important to her every action.

She was a true inspiration to her family, husband and so many others and for so many reasons.
