“ I remember my cousin Donna as a very loving person from when I was much younger. She was almost like a younger sister to my mom because of her parents, Aunt Mary and Uncle Russ who helped take care of my mom when she was growing up. I wish her daughter Karen the best and good luck in the future.

“ Donna had a sense of unity and served as building representative for the union the last few years. She cared deeply for her students and endeavored to give them the self-discipline they needed for success. She was friendly and easy to talk to....and I will miss visiting with her.

“ I have always been told that the good lord never gives you more than you can handle. I sometimes have to stop and try to make myself believe that, even though it must be true. I'm at a total loss for words, so unfair, so very fast, and totally not in the new plan for a well deserved retirement. Donna was one remarkable person, she has touched more lives than anyone will ever know. Karen your mom was a great person, my deepest sympathy goes out to you and your family. You were the light in your mothers eyes, cherish each memory you have with her. God Bless You in this trying time.
