Donna Rena Hall was born on March 31, 1966 to Gary Vernon Hall and Donna Jean Hall in Dearborn, MI. Donna had one younger sister named Jeana. She attended Edsel Ford High School. Donna was a very determined woman. Although she began battling Juvenile Rheumatoid Arthritis at a young age it did not stop her from enjoying life. Donna had a strong belief in God and she was raised in a family that was very religious. She cherished the closeness she had with, "Oma", her grandmother. Donna lived with her boyfriend, Dave, years ago but their relationship did not continue. Donna was an intelligent, friendly and caring person. She enjoyed socializing with her friends and staff. Donna loved to wear jewelry. She enjoyed going to the movies and out to eat, shopping at the Dollar Store and attending "All About You". Donna's passion was drawing and writing. She was a beautiful artist. She also had several journals in which she was able to express her thoughts and dreams. She had a fondness of animals; especially birds and horses. She had a pet bird named "Pepper" a few years ago. Some of her favorite pastimes were to watch science fiction movies and the lifetime channel, do word search puzzles and collect stickers. She always looked forward to celebrating the holidays; especially Christmas. Her independence was very important to her, but as her disease progressed it became increasingly difficult. She truly appreciated people for their help, kindness and friendship. With God by her side, Donna peacefully passed away on May 5, 2009.
