“ *Hi , This is Ann Bennett Nelson I am Betty Bennett's daughter. I was over visiting with my mom tonight and asking about our family history. She bright up Donna and she committed on how she had really missed her. And she wondered if she was still alive. So I googled her name and found her obituary. She was so hurt to find out. I have many great memories with her and Jay. It was nice to see the picture of her. She was a pretty lady.sorry for your loss*
