“ *So sorry to read about the loss of your dear loved one... May you find peace and comfort in the words of Jesus Christ at John 11:25- "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life. I hope this gives some comfort/hope until then. see www.jw.org*

“ *Doreen, I am going to greatly miss talking with you via Facebook but I am very happy for the time we had to connect. You always had kind words for me when I needed it, advice that was always spot on and managed to calm me down from afar when my emotions were all over the place. I regret that you never got to meet Elektra in person, I feel as if she would have loved you greatly. You are missed but will never be forgotten by those whose lives you touched.*

“ Doreen is my cousin, she is the oldest of four girl cousins in our family. It is by great example that we learn from others. What I have learned from my cousin Doreen, is selflessness. She has worked very hard in her life, and has demonstrated to us pure potentiality. Although her life was cut unexpectedly short, she demonstrated to the rest of us girls, her care for others and especially her care for her pets. Doreen I will never forget how you helped me, and when I would visit from out of state, you let me drive you to work, and you loaned me your car " The Z-28" with T tops, so I could drive out to the lake to visit my friends. Its nice to hear from other people, how you have given your time and how you have influenced them as well. May you rest in peace "Cousin" I Love you!

“ *A Tribute To Sisters My Sister Shares A Part Of Me That No One Else Shall Ever See. And When The Days And Miles Divide Us, The Bond We Have Will Live Inside Us. My Sister For Always, My Friend...Forever. --Author Unknown I just wanted to say goodbye in the way I never got the chance to, and to say that you will be remembered, and have a special place in my heart and the hearts of my daughters and my grandson. I wish that we could have known each other before our dad passed away. What you mean to me, Is more than I can express. You see, I had no sister when I was little To call when I was in distress. When we first met, We had no clue, What was getting ready to happen, Was not completely out of the blue. God had a plan, Throughout all the years, He was making us for each other, To share life's smiles and tears. A sister's love is unconditional, It's a love that has no end, A sister's love wants the best for each other, It's a love that will always defend. Sometimes we may get mad, Or we may begin to fight, But that's the fun part about having a sister, We both think we're always right! I'm so glad that I did not have, A sister in the past, It's made me much more thankful, For the sister I had at last. I know that when you got to heaven that our Daddy (Max), Grandmother Josephine and Grandfather John and our Uncle Marty Rodman were all there for you and happy to see you again. You will be remembered and thought of with love by your Uncle John Paul and Aunt Gerry Rodman, Aunt Marie and Uncle Johnny Thompson, Aunt Jody and Uncle Bob Young, and your cousins; Johnnie Lynne Thompson, Michael John Rodman, and Douglas and Mark Young Thanks for being the wonderful sister that you were to me. Your Loving Sister, Billie Rodman-Gutierrez Your Loving Nieces, Rachel Brook and Amanda Rose Gutierrez Your Loving Great-Nephew, Joseph Wyatt Stanford*
