“ *Sandy and Sue we met by chance became family by choice. I feel blessed that our paths in life crossed. When I think of Dorothy I remember how we laughed together and cried together. She touched my life, my heart. She is part of so many lives and loved by so many. Dorothy: good, kind, caring and loving, mother, grandmother, great-grandmother, sister and friend. She wore many hats and wore them well. She will forever be in my heart and memories. Dorothy thank you for being my friend. Sandy and Sue you are in my thoughts, hold onto your memories.*

Love your friend always. Linda

“ No words can fill the space of the wonderful lady we have all lost. Knowing we will see her again is our best hope. Personally I hope there is a great big kitchen in heaven so Aunt Dot can teach me some of her recipes! We love you all and are praying for peace during this time of change in your lives.

Blessings!

“ Dear Sandy & Sue, et al,
We are sorry that we cannot be there with you.
Joy says:
Aunt Dot had a very special role in my life. She is one of the "Magnificent Seven" who helped to mold all of us. It takes a family to raise a child and our family certainly took that seriously. Aunt Dot has always been a person of strength, character, humor, and gentleness.
My prayers are with you.

“ My thoughts are with you Sandy and your family. I did not know her well, but I do know she was a truly amazing woman....Stong, thoughtful, caring, and a truly nice person all wrapped up in a tiny little package. I feel so lucky to have known her!
Again, my thoughts are with you.
