Ms.Koi....We would brighten each other's day. For many years (3) times a week, sometimes twice a day, For many years....As I would tell her " Time to go to work" and I might see you when get off. 🤔🤔🤔 if I'm still at work. She would reply" Alright Trouble 🤔🤔🤔. Ms.Koi you're truly are missed.... Your Driver

“ Such a wonderful gal. Really enjoyed her wit and sense of humor. A blessing to have met her a few years ago as she was my grams neighbor. I'll never forget Dorothy shaming my gram into going out to dinner with us one night. My gram thought she was too much trouble and Dorothy encouraged her...if you've got grandkids here willing to take you out...go and spend time with them. 😊.
