“ *Words cannot express how much I will miss my Aunt Max. Every time I came home to Michigan she wanted to fix me pinto beans. If I spent the night she would wait until I got in the bedroom and then she would 'always' knock on the door and ask if I wanted a little cereal before I went to bed. Those sound so simple but she did so many little special things for everyone...all the time. She lives on in every one of us who were blessed to have been touched by her life. And by the way, she 'did' tell me I was her favorite...right Aunt Max?!*

“ *My beautiful mom, my best friend, my everything. I love and miss her so much. I know she is with the Lord and will have ever lasting peace with no more pain and suffering. God blessed me the BEST mom ever. She never had a bad thing to say about anyone, she would say" I'll just have to pray for them". And pray she could. Mom had what I call a hot line to heaven. I was holding mom's hand when she took her final breath. When they said She's gone, I smiled and said have fun in heaven mom, I love You. Different ones say, sorry for your loss. I haven't loss anything, I know exactly where mom is - she in heaven waiting for the rest of us. "I LOVE YOU MOM" Love, your baby girl, Lori.*

“ My whole family has many memories of your precious wife/mother from our days at Church of God in Garden City. She was one of a kind with a passion for kids to know the Lord she loved! She led me to the Lord when I was 7 years old! Her influence affects my life to this day. I am the wife of a Pastor and I share Sister Maxine's story of her faith, her infectious smile and her love for the Lord with many people. The Lord blessed you with a gem and many will miss her. Praying for you all. Love, Robin Reitz

“ God used Maxine Norfleet to encourage us through her joyful and faithful example as a Christian. We first met her in Kamp Ki-O-Ki and grew to know her and love her dearly. Earl, Bobbi and Lori - we live in Kentucky now and we're unable to honor her in person. Please know you are in our prayers.
