“ Can anyone be happy after they loose their mother, no not a sister a brother a friend or other. You only have one mom so my friends be close to her love her honer and respect the one that gave you life and many years of advice. Her love was unconditional her heart as big as the ocean. I miss you so much you were my mom and my best friend i will never stop hurting but the only comfort i have is that we will be together again in HEAVEN one day. I love you Bonnie lou

“ Dear Stempeck Cousins, My prayers go out to you and your families during this time of loss. Aunt Dottie was my Godmother and although time seperated all of us, I will always think of her as holding that special title. God speed. Noel

“ I miss you Mom. Keep thinking about picking up the phone to call you. But I find comfort in Carol's note (Hospice nurse). It states "Death is not extinguishing the light. It is putting out the lamp because dawn has come".
