“ Doug, we met in elementary school and I adored you right away. You were so easy to talk to and laugh with. Who knows what we were chatting about at that time, but it had to have been good. Cute kids having cute conversations. Whenever our teacher would move our desks next to each other, I felt like the luckiest gal in the world. At the end of second grade, you gave me a copy of your baseball photo and it meant the world to me. I still have it. Is that weird? I'll keep it forever and cherish it too. Whenever we would bump into each other through the years, you were always a ray of sunshine, so warm, friendly, and happy to talk, connect, and listen. Thanks for always being so kind. You had a special heart. <3<3<3

“ Doug - you were such a great guy, and always fun to be around. It's still a bit surreal, and a shock, that you're gone so soon. I'll never forget your kindness & support, coming to *Finer Things* shows back in the day - you always had the nicest things to say after every show, a reflection of your generous character. You were a fantastic musician; an all-time great PCMB-er. My heartfelt condolences to your family and close friends, who I know miss you dearly.

“ Scott & Tammy / Joyce & Mark

It is with great sadness and a heavy heart that we extend to you our sympathy and prayers for your loss. Doug had grown into a fine young man and had become a very special person in the life of our son, Matt. We have never seen cousins who became such good friends. May God grant you, and all the family, His Grace, Love, Mercy, and Strength.
