“ I feel blessed to have had the chance to express my deepest condolences to the family and also offer my prayers in person to MisraJi for his soul to rest in peace. We are very fortunate to know the Misra family since 1981. MisraJi was so much fun to be around and such a caring and compassionate person. We always enjoyed their company when we had a chance to meet in the early years. Our respects and regards to KamalaJi and best wishes to the lovely four daughters Sneh, Prem, Suman & Seema and all their families. So proud of their accomplishments, making their parents so happy and we are all so happy for them.

With love & hugs

“ I am so sorry for your loss!! Dr. Misra was an amazing man who always welcomed me into his home. He made me feel like a special guest every time I visited. He was generous and kind and was always interested in my life and well-being. I am so grateful to have known him!

“ Dr. Radhe Shyam Misra was a very close friend. We shared a lot of moments together. He was very supportive of B.S.N.A. specially our local chapter. Whenever we met he will share a few hilarious Jokes. One I most remember is "where the Brahmin priests and elderly were invited for a Feast and were returning back to their homes. People on the way asked how was the party, some laughed and said it was very good, but ask those who are being brought in a charpai." This was a classic the way Radhe Shyam Ji narrated in Bhojpuri language.

We would always miss his humor and kind heartiness. We pray the Almighty Ishwar to give his soul mokcha. OM SHANTI

“ Words cannot describe how grateful I am to you, Nana. You made me into the person I am today, and I will continue to make you proud. Whenever I am down, I always drive myself to McDonald's to pick up a filet sandwich or a hot breakfast, your favorites. I remember all the times you would take us to Toys R Us to pick up some playing cards or to the store and let us get candy (and we would just keep it our little secret! Sorry, mom!). I love you, Nana, and I know you will always be looking out for me.
