September 3, 1947 - October 20, 2021

Levick, Duane K., October 20, 2021 age 74 of Canton. Beloved husband of Grace. Dear father of Keith and Kevin Levick and step-father of Bernadette Furca, Mary Voiles, and Mark Furca. Brother of Frank Levick, Dennis (Tracie) Levick, Luana (Loyd) Hicks, and Robin (Larry) Proffitt. He is survived by many loving nieces, nephews, relatives and friends.

Duane was born and raised in Buffalo, New York. He spent time in the military service in Southeast Asia. When he returned from military duty, he earned several degrees including one in chemical engineering from New York State University. This led him to a career as vice president for several different companies. During this time he discovered his heart was in writing. As a result he has authored several books and currently has one in the publication process. He discovered his real passion was the Bible & teaching. Duane led many Bible studies at church and in small groups. He served at church in many capacities including outreaches to the needy. Other interests were bow hunting, fishing and the live theater. Duane and Grace were married in 2012. Together they both loved and served the Lord. She was at his side when he went to be with his Lord.

*“ Uncle Duane, always near my Heart. God saw you getting weary, So he did what he knew best.He came and stood beside you and whispered come and rest.You wished no one a last farewell, Nor even did you say goodbye;You were gone before we knew it, And only God knows why. When God called you to rest, You did not go alone; For part of us went with you The day God took you home. WE LOVE AND MISS YOU, YOUR FAMILY.*

“ *My Big Brother Duane knew how to be a big brother! All those times as a kid he took me fishing on his beloved Niagara. Drive-in movies were so special! Bought my first telescope. Didn't just teach me how to play chess...he taught me how to be a chess master!. Always aimed high. Always hit the mark! So intelligent! So generous! Already so missed! I love you so much brother! Go be with the Lord Jesus with your new perfect body. No more pain. No more suffering. Enjoy eternity and save a place for your little brother Dennis!*

“ Duane was my Bumbro. He spend many days with me and my husband, Loyd, hunting the mountains of North Carolina. On a few of those excursions he became friends with a dear friend of ours, Conley Cheek. The three of them would share laughs, hunting stories and food together at an old cabin in the hills. Conley and Duane are together now at a cabin in heaven. I have no doubt they are laughing again, telling the same old hunting stories and sharing a plate of Conley's famous fried potatoes. It wouldn't surprise me one bit if Yeshua was sitting at that very table with them!

*I love you Bumbro. Rest high on GOD's mountain. ~Lani*
