“ *We didn't know that Edith passed away. We were suppose to meet a week before in Sarasota for brunch and opera, but she never showed up. I finally had my daughter google her name to find she did pass, as I feared.*

We met Edith and Luigi at the Opera in Darasota. Edith in her most wonderful way introduced herself and we became good friend and opera buddies.

Edith was true to herself and everything stood for and live her truth till the end of her life. We will surely miss her.

*If Natalie reads this please contact me I would love to say hello.

“ Edith had been a long time member of Fairlane Ballroom Dance Club. Her & I became good friends. She really enjoyed dancing with my husband Olgerts. Even when she became sick she continued to Dance whenever she could. I always told her she was the bravest woman I ever met. I will miss her very much but I am glad that she is no longer suffering. I once told her I wish that she didn't have to suffer so much and she told me that she wasn't suffering as much as Jesus did.

“ Edith, my opera buddy, life will be so different without you. I will miss you greatly but know you are in a better place now free of pain. I will also miss sharing a drink with you in my back yard or yours during the wonderful summer months. How we both loved our flowers and our yards. I know Carmela and her family will see to it that yours blooms again.

May God hold you in the palm of his hand until we meet again.

I am so sad to have lost you, you were always there and never wavered in your friendship and support. It is a great loss and leaves an empty space in my life.
