“ *Many a young man is better for having Edward as THEIR sCOUTMASTER AT St Peter and Paul Catholic School. He and Dick Spiegel taught not only the way of the woods but many of life's lessons but a class for new Scout leaders as well. My son Gary Schulte was one of them. When Gary entered the military and they went on bivwac Gary knew much about survival in the field that he learned from these men. When asked by fellow soldiers how he was so well informed he said " thasnks to my scout training and Mr. Robish. We will always have our great memories. Thank you Ed and keep tGod's campfire going.*

*Mr.Ed was someone I look up to both Union rep to Co. Standard on repair jobs guidelines. Ed had a heart of gold giving to others with a smirky smile when he got you. He cared. And now him and Dan Courtney will be together watching over us new old timers. Thank you Ed for being our friend and mentor at work*
