“ *My Gigi girl, since 2nd grade, you’ve been everything we’ve all needed! A loving, caring grandmother, mom, sitter, therapist, the best teacher, mentor any of us could ever ask for. I’m now 30 & I always wrote you checking in on you, telling you how much I loved you! I’m so happy I was able to give you your flowers while you were here. I love you dearly and will cherish every memory with you. Kosciusko, room 207! Our Gigi forever!! With Love Kay* ❤️
